

Mission Statement

WEA Sydney is a voluntary, independent, not-for-profit adult education organisation. Our mission is to provide adults with stimulating and varied educational activities which develop their knowledge, understanding and skills.

Within our program we place special emphasis on providing opportunities for the serious and objective study of the arts, humanities and sciences.

We are committed to:

- Maintaining excellence in all aspects of our work
- Encouraging students to participate in their own education and in WEA's democratic management structure
- Facilitating access for all who seek to take part in our activities

We believe that WEA activities are of value both to individuals both in their personal life and in their role as citizens in a democratic society.
