Who we are

We are one of Sydney's oldest continuous providers of adult education. We were established in 1913 and since then have offered thousands of courses to thousands of students for well over a hundred years.

We are a not-for-profit, independent educational provider and our mission is to:

"provide adults with stimulating and varied educational activities which develop their knowledge, understanding and skills"

WEA Sydney is a welcoming and inclusive organisation. We offer courses in a wide variety of topics, at remarkable value presented by professional, enthusiastic and friendly tutors.

Best of all, you will make wonderful friends as you study courses of your choice either in our comfortable learning spaces at WEA House, or online.

The choice is yours.

Facilities for our students

We are centrally located near Town Hall, in the centre of Sydney. We are accessible from trains, light rail and buses, with many parking stations nearby.

We have comfortable classrooms with wheelchair access to both the building itself and to all classrooms. There are bathroom facilities on all four floors and several rooms have hearing loops.

We offer face-to-face, online and hybrid classes to cater for students' preferred learning modes. We have classes during the day, during the evening and on weekends. And, we offer free Zoom training at the start of every year.

We have a comfortable reading library and student lounge areas.

Our tutors are friendly, professional and teach to our high standards and our staff are here to support all your learning and enrolment needs.

We are here for you.

Want to be involved?

Apart from being a student, there are other exciting ways for you to be involved with your WEA.

- You can become a financial member of the WEA for just \$25 per year or \$60 for three years to receive 12.5% discount on every course, free enrolment into Members' lectures, invitations to special events and the opportunity to win a \$250 voucher in the members' draw every term.
- You can join the WEA Council and be an active participant in discussing the courses on offer and the running of the WEA. You will also receive first-hand reports and have the opportunity to engage with guest speakers. Council meets once a month and you can participate online or come into WEA House for the meeting and refreshments.
- You can make a difference to WEA by making a donation or a bequest. No amount is too small (nor too big!)
